

A LITTLE CAN MEAN A LOT.

For \$1 per week
you can grab a candy bar
at the gas station...

OR

352 pounds of food
for a local group home to prepare
home cooked meal.

For \$5 per week
you can grab a
cup of coffee...

OR

18 people can receive
foreclosure prevention services
that could help
save their home.

For \$10 per week
you could eat out
for lunch...

OR

Provide a scholarship
for one student to get
extra help at a
summer learning academy.
