

THANKS TO YOU...

200 children participated in a summer math academy — helping make their futures brighter.

17,930 people received emergency assistance to help them through a crisis.

400 homebound senior citizens were delivered a hot meal.

632 women fleeing domestic violence were given the safety and advocacy they needed.

288 homeless men were given an opportunity to get their lives back on track.

4,379 uninsured clients received quality medical care.

HOPE
