Need Help?

If you or someone you know needs help, simply call 2-1-1 to learn about resources in our community!

2-1-1

North Carolina

Tis' The Season: For our United Way, that season is Campaign Season! Late Fall is the time at our United Way where we begin running campaigns full force! Speaking engagements, tours, meetings and campaign kick off events fill our calendars. This year has looked much different. Zoom calls have taken the place of in person meetings and we have worked hard to make as much as we can virtual. We appreciate the efforts of all our supporters and volunteers for stepping up and thinking outside the box to work with us through this campaign season. While things may look different, the compassion that you all hold inside your hearts for our community is unchanged. *We Believe in a Better Tomorrow* - and so do you! **Thank you for your support!**

Agency Spotlight: Children's Homes of Cleveland County

CHCC is a non-profit that has been serving at-risk, marginalized, and victim children in a variety of ways for over 50 years. Their services include residential placements for children and youth in foster care, independent living services for youth aging out of foster care, adoption services, supervised family visitation, and out-patient mental health services for people of all ages. For National Adoption Month in November, CHCC said this "Adoption, especially of older children and teens, is complicated, challenging, and fraught with conflicting emotions for all involved. We just wanted to say thank you to all of the families who have made or who are making this journey to give a child a forever home! We are in awe of your courage and commitment to your family and pledge to be here for you as you navigate this process and the life that follows. "

NCDHHS COVID-19 Support Hotlines:

The North Carolina Department of Health and Human Services has two mental health resources to support North Carolinians throughout the COVID-19 crisis.

The Hope4NC Helpline (1-855-587-3463) connects North Carolinians to additional mental health and resilience supports that help them cope and build resilience during times of crisis. Hope4NC is now available 24 hours per day, seven days a week to speak to a live person.

The Hope4Healers Helpline (919-226-2002) is an initiative in partnership with the North Carolina Psychological Foundation. It provides mental health and resilience supports for health care professionals, emergency medical specialists, first responders, other staff who work in health care settings and their families throughout the state who are experiencing stress from being on the front lines of the state's COVID-19 response. More information can be found by visiting: NCDHHS.com/coronavirus

Quote of the month:

"The man who will use his skill and constructive imagination to see how much he can give for a dollar, instead of how little he can give for a dollar, is bound to succeed." - Henry Ford

Laugh of the month:

One night a Viking named Rudolph the Red was looking out the window when he said, "It's going to rain."

His wife asked, "How do you know?"

"Because Rudolph the Red knows rain, dear."

From our families to yours - Merry Christmas & Happy New Year

From your United Way of Cleveland County Staff - Leslie, Shelly, Nicole, Donna, Adrienne & Kierra
